Prospective Purchaser: Rich Fabiani, an individual, d/b/a FRESH GROUND

To the Owner(s) of the above Property:

Before you enter into a contract of sale for the Property, Maryland law requires that I give you this written notice.

I MAY ASSIGN THE CONTRACT OF SALE FOR THIS PROPERTY TO ANOTHER PERSON.

This means that although I am signing the contract as the purchaser, I may transfer my rights under that contract to a different buyer, who would then complete the purchase in my place. If I do so, I may receive a fee for that assignment.

If I assign the contract of sale and **have not** provided you with this notice, Maryland law allows you to **rescind (cancel) the contract without penalty at any time before closing.**

The terms of your sale — including your purchase price — do not change because of an assignment.

ACKNOWLEDGMENT OF RECEIPT I/we, the undersigned Owner(s), acknowledge receiving this written notice **before** entering into a contract of sale for the Property.
